PUBLIC HEALTH ORDER
NEW MEXICO DEPARTMENT OF HEALTH
ACTING SECRETARY DAVID R. SCRASE, M.D.

November 12, 2021

Public Health Emergency Order Clarifying that Current Guidance Documents, Advisories, and Emergency Public Health Orders Remain in Effect; and Amending Prior Public Health Emergency Orders to Impose Certain Public Health Measures

PREFACE

The purpose of this amended Public Health Emergency Order is to amend restrictions on mass gatherings and business operations, which were implemented in response to the spread of the Novel Coronavirus Disease 2019 ("COVID-19"). While vaccines are the most effective method to prevent the spread of COVID-19, masks, social distancing, and self-isolation measures continue to be necessary to protect New Mexicans who are ineligible to receive a COVID-19 vaccine or who choose not to receive a vaccine. All New Mexicans should continue to adhere to social distancing protocols when required to protect our State as a whole. In accordance with these purposes, this Order and its exceptions should be narrowly construed to encourage New Mexicans continue social distancing measures.

It is hereby ORDERED that:

1. All current guidance documents and advisories issued by the Department of Health remain in effect.

2. The following Public Health Emergency Orders remain in effect through the current Public Health Emergency and any subsequent renewals of that Public Health Emergency or until they are amended or rescinded:

   A. December 15, 2020, Amended Public Health Emergency Order Implementing Additional Contact Tracing Information Requirements for All Laboratories and Submitters Submitting Notifiable Condition COVID-19 Test Results to the New Mexico Epidemiology and Response Division;

   B. January 8, 2021, Emergency Order Implementing Administration and Reporting Requirements for All COVID-19 Vaccine Providers;

   C. April 5, 2021, Amended Public Health Emergency Order Temporarily Limiting Long-Term Care Facilities Visitation Due to COVID-19;
D. February 26, 2021, Public Health Emergency Order Implementing Administration Requirements for All COVID-19 Vaccine Providers and Requiring Accurate Information be Provided by Individuals Registering to Receive the COVID-19 Vaccine; and

E. September 15, 2021, Amended Public Health Emergency Order Requiring All School Workers Comply with Certain Health Requirements and Requiring Congregate Care Facility Workers, Hospital Workers, and Employees of the Office of the Governor Be Fully Vaccinated.

3. The October 15, 2021, Public Health Emergency Order Clarifying that Current Guidance Documents, Advisories, and Emergency Public Health Orders Remain in Effect; and Amending Prior Public Health Emergency Orders to Impose Certain Public Health Measures is hereby amended as follows:

ORDER

WHEREAS, on March 11, 2020, because of the spread of the novel Coronavirus Disease 2019 ("COVID-19"), Michelle Lujan Grisham, the Governor of the State of New Mexico, declared that a Public Health Emergency exists in New Mexico under the Public Health Emergency Response Act, and invoked her authority under the All Hazards Emergency Management Act;

WHEREAS, Governor Michelle Lujan Grisham has renewed the declaration of a Public Health Emergency through December 10, 2021;

WHEREAS, confirmed cases in the United States have risen to more than 46 million and confirmed COVID-19 infections in New Mexico have risen to over 285,000;

WHEREAS, COVID-19 is a deadly virus and has taken the lives of over 755,000 Americans and over 5,100 New Mexicans;

WHEREAS, the further spread of COVID-19 in the State of New Mexico poses a threat to the health, safety, wellbeing and property of the residents in the State due to, among other things, illness from COVID-19, illness-related absenteeism from employment (particularly among public safety and law enforcement personnel and persons engaged in activities and businesses critical to the economy and infrastructure of the State), potential displacement of persons, and closures of schools or other places of public gathering;

WHEREAS, vaccination, social distancing, and the consistent and proper use of face coverings in public spaces are the most effective ways New Mexicans can minimize the spread of COVID-19 and mitigate the potentially devastating impact of this pandemic in New Mexico; and

WHEREAS, the New Mexico Department of Health possesses legal authority pursuant to the Public Health Act, NMSA 1978, Sections 24-1-1 to -40, the Public Health Emergency Response Act, NMSA 1978, Sections 12-10A-1 to -19, the Department of Health Act, NMSA 1978, Sections 9-7-1 to -18, and inherent constitutional police powers of the New Mexico state government, to preserve and promote public health and safety, to adopt isolation and quarantine,
and to close public places and forbid gatherings of people when deemed necessary by the
Department for the protection of public health.

NOW, THEREFORE, I, David R. Scrase, M.D., Acting Secretary of the New Mexico
Department of Health, in accordance with the authority vested in me by the Constitution and the
Laws of the State of New Mexico, and as directed by the Governor pursuant to the full scope of
her emergency powers under the All Hazard Emergency Management Act, do hereby declare the
current outbreak of COVID-19 a condition of public health importance, as defined in NMSA 1978,
Section 24-1-2(A) as an infection, a disease, a syndrome, a symptom, an injury or other threat that
is identifiable on an individual or community level and can reasonably be expected to lead to
adverse health effects in the community, and that poses an imminent threat of substantial harm to
the population of New Mexico.

I HEREBY DIRECT AS FOLLOWS:

(1) Unless a healthcare provider instructs otherwise, all individuals ages 2 years and
older shall wear a mask or multilayer cloth face covering in all indoor public settings except when
eating or drinking. Nothing in this Order shall be construed as prohibiting any business, house of
worship, non-profit entity, or other entity from imposing more stringent requirements.

(2) Any business, establishment, or non-profit (other than those which are a healthcare
operation, utility, or indigent care services) which members of the public regularly visit must report
to the New Mexico Environment Department when there is an occurrence of a rapid response. The
New Mexico Environment Department shall monitor when an entity has four (4) or more rapid
responses within a fourteen (14) day period. For purposes of this directive, rapid responses will be
counted on a rolling basis. Businesses, establishments, or nonprofits with four or more rapid
responses shall not be required to cease operations. However, the rapid responses must be reported
to the Environment Department so that the public may be made aware of the positive cases.

(3) All businesses, establishments, and non-profit entities must adhere to the pertinent
COVID-Safe Practices.

(4) Private educational institutions serving children and young adults from pre-
Kindergarten through 12th Grade, including homeschools serving children who are not household
members, shall adhere to the face covering and other COVID-Safe Practices requirements for
in-person instruction contained in the New Mexico’s Public Education Department’s “Reentry
Guidance” and “COVID-19 Response Toolkit for New Mexico’s Public Schools,” available at
https://webnew.pcd.state.nm.us/reentry-district-and-school-guidance/, and may operate up to
maximum capacity. Private educational institutions shall follow the reporting, testing, and closure
requirements set forth by the Public Education Department in the Reentry Guidance and COVID-
19 Response Toolkit for New Mexico’s Public Elementary Schools.
I FURTHER DIRECT as follows:

(1) This Order shall be broadly disseminated in English, Spanish, and other appropriate languages to the citizens of the State of New Mexico.

(2) This Order declaring restrictions based upon the existence of a condition of public health importance shall not abrogate any disease-reporting requirements set forth in the Public Health Act.

(3) Nothing in this Order is intended to restrain or preempt local authorities or state agencies from enacting more stringent restrictions than those required by the Order.

(4) This Order shall take effect immediately and remain in effect through December 10, 2021.

(5) The New Mexico Department of Health, the New Mexico Department of Public Safety, the New Mexico Department of Homeland Security and Emergency Management, and all other State departments and agencies are authorized to take all appropriate steps to ensure compliance with this Order.

(6) Any and all State officials authorized by the Department of Health may enforce this Order by issuing a citation of violation, which may result in civil administrative penalties of up to $5,000 for each violation under NMSA 1978, Section 12-10A-19.

ATTEST:

MAGGIE TOULOUSE OLIVER
SECRETARY OF STATE

DONE AT THE EXECUTIVE OFFICE
THIS 12TH DAY OF NOVEMBER 2021

WITNESS MY HAND AND THE GREAT SEAL OF THE STATE OF NEW MEXICO
