Omicron Booster Updates for New Mexico Assisted Living Facilities (ALFs) & Nursing Homes

Katrina Hotrum-Lopez

Cabinet Secretary Aging & Long-Term Services Department

Omicron booster rollout for long-term care facilities has begun!

Goal is to complete booster rollout in the next 6 weeks for all facilities:

- ALTSD is partnering with 2 pharmacy providers to provide COVID-19 & flu vaccines for ALFs and nursing homes
- Senior centers will be coordinating vaccination clinics at their sites across the state, including offerings of flu vaccines in addition to the COVID-19 booster
- Included population: 236 ALFs and 67 nursing homes (ICFs is 43)

Staff and residents will be provided with vaccines and education

- New regulations require that staff and residents need to be offered and continuously educated on the vaccine
- If you or your loved one have not received this information, please reach out to 1-800-432-2080 or 1-866-451-2901
